Drawn by Thee, our souls aspiring,
soar to uncreated light.
Word of God, our flesh that fashion'd,
With the fire of life impass'd,
Word of God, our flesh that fashion'd,
With the fire of life impass'd,

Striving still to Truth unknown,

Soaring, dying, round Thy throne.

Striving still to Truth unknown,

Striving still to Truth unknown,

Striving still to Truth unknown,

Striving still to Truth unknown,

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.

Soaring, dying, round Thy throne.
