Your crown of holiness is acclaimed by throngs of angels on high and by Your people assembled below. His glory pervades the universe; His ministering angels inquire of one another: Where is the place of glory? From His heavenly abode may He turn in mercy to the people who twice daily proclaim in love the unity of His name, One is our God; He is our Father, our Sovereign, and our Deliverer. In His mercy He will again make known in the presence of all the living that He will be your God. "I am the Lord your God." The Lord shall reign forever; your God, O Zion, shall be Sovereign to all generations. Hallelujah.
