### Notes:

The order of staves in the source is Alto - Tenor - Soprano - Bass, with the alto part printed in the treble clef an octave above sounding pitch. The part given here as an alto line in bars 26-29 is printed on the tenor staff in the source, but is marked with a treble clef, indicating it should be sung as a second treble-range part rather than by the tenors.

No text is underlaid in the source, although Hymns 215, 372 and 603 (of the *Collection of Hymns for the Use of the People called Methodists*) are specified and the pattern of repeated lines is indicated by line numbers printed between the staves. The present text is that of Hymn 603: Hymns 215 and 372 are 'Glorious Saviour of my soul' and 'Give me the enlarged desire'. The small notes in the soprano and alto parts in bar 25 have been added editorially to accommodate the extra syllable in the sixth line of the second and third verses of the text.
