sink - ing world.

2. Down headlong from their native skies  
The rebel angels fell,  
And thunderbolts of flaming wrath  
Pursued them deep to hell.

3. O love of infinite degree!  
Unmeasurable grace!  
Must heav'n's eternal darling die,  
To save a trait'rous race?

4. Must angels sink for ever down,  
And burn in quenchless fire,  
While God forsakes his shining throne  
To raise us wretches higher?

5. O for this love let earth and skies  
With hallelujahs ring,  
And the full choir of human tongues  
All hallelujahs sing.
