Alleluia, Pascha nostrum
Alleluia per la resurrezione del Signore

Giovanni Bonaventura Matucci (1712-1777)
ed. Jeffrey Quick

©2015 CPDL
Alleluia, Pascha nostrum

Edition notes: original note values except bass part, which is notated primarily in breve-breve ligatures. Neume ligatures in chant portions are suggested by physical proximity. "D.S. al fine" added for those who don't know the liturgical roadmap.
