Tu, cum virgineo mater honore,
 Cælorum Domino pectoris aulam
 Sacris visceribus casta parasti;
 Natus hinc Deus est corpore Christus.

Quem cunctus venerans orbis adorat,
 Cui nunc rite genu flectitur omne;
 A quo te petimus subveniente,
 Abiectis tenebris, gaudia lucis.

Hoc largire Pater luminis omnis,
 Natum per proprium, Flamine Sancto,
 Qui tecum nitida vivit in æthra
 Regnans ac moderans sæcula cuncta.
 Amen.
